Message from Dave Roberts – Chairman

As always, there is plenty going on in the village and one of the things that we are being asked about at the moment is the provision of faster or 'superfast' broadband for rural areas. If this were to be made available it would be particularly advantageous to those of us who perhaps work from home or those who keep in touch with family and friends via broadband connections. If you think this is something for you, you can register an interest, with no commitment, at www.dorsetforyou.com/superfast.

As you read this newsletter, you will also see that Jenny Farthing, our Clerk, is leaving us for pastures new. Jenny will be missed when she does leave, but, meanwhile she is poised and ready to hand over the reins to someone else. If you, or someone you know, could be that 'someone else' please do get in touch with either Jenny or myself.

Finally, Cllr. David Maughan recently attended a presentation regarding the proposed new waste collection arrangements. He will be briefing his fellow councillors and at a later date, before the new scheme is introduced, we hope to be able to have a representative from Dorset Waste Partnership attend a Parish Council meeting for a 'Question and Answer' type session.
