## Message from Dave Roberts – Chairman

We have all heard of 'the wrong kind of leaves on the line' and 'the wrong kind of snow', but a few days ago, I heard of something that I'd not heard of before; 'the wrong kind of rain'! Apparently, the stuff that has been falling out of the sky recently is not 'the right sort of rain' as far as the water companies are concerned!

On a more serious note, some of your councillors and other volunteers have carried out a 'Litter Pick' around the village. Now that the roads are litter-free it would be nice if they stayed that way, so please don't drop litter, and if you see it, think about picking it up. For those of you who walk our footpaths, the recent rain (right or wrong sort) is sure to promote growth in the hedgerows etc., so if you come across an overhanging bramble or similar, why not just snip it off with the pair of secateurs that everyone has in their pocket, or, just tuck it safely back into the hedge!

Editor – Jenny Farthing Parish Clerk

### **Diamond Jubilee Celebrations**

After the Queen's historic visit to Sherborne on 1<sup>st</sup> May, please remember our celebrations on 3<sup>rd</sup> June  
The church service at 10:3 will be followed by the BIG Lunch Party on Alec's field from mid-day.  
All children wearing fancy dress will get a 'prize' of a celebration mug.  
Bring your own crockery and cutlery and a food item to share with others. Soft drinks will be provided with alcohol available from the Antelope. After lunch there will be children's games on the field.

### **Consultation on Traveller's sites**

There has been no feedback on our response to this consultation.  
As soon as we hear something we will inform everyone.

### **The Village Hall Refurbishment**

The next phase of the work starts on 28<sup>th</sup> May. A new store will be built and the fourth wall insulated to the same standard as the other three.  
The hall will remain open during the work but the tables and chairs will have to be kept in it.  
If you need to move them to the small room to make room for your group's activities, the village hall committee request that they are returned to the main hall before you leave.

### **Hillside Car Scheme**

The scheme will provide transport to the Diamond Jubilee party on 3<sup>rd</sup> June for elderly people needing it.  
Please contact Caroline on 818252 for details.

### **The Post Office**

Services continue on Monday mornings between 10:00 and 12:00 at the Red Barn on The Causeway.

The Post Office is happy to continue with the provision.

### **Learn First aid and Defibrillation**

The Red Cross will be providing two training sessions open to everyone interested in helping to save lives by using our defibrillator.

**Wednesday 20th June Fifehead Mill Fifehead Neville  
10:30 to 12:00 and 19:00 to 20:30**

Light refreshments will be provided – Donations welcome  
Please contact Anne Deane on 817373 if you wish to attend.

### **Dog fouling**

The footpath beside the children's play area in Alec's field has got so bad that the Playing Field Association refuse to mow it.  
Would all dog owners act responsibly and pick up after their dogs.  
If members of the public know of persistent offenders feel free to inform either Dave Roberts or Jenny Farthing in confidence.  
Fines for offenders can be up to £1000 and will be imposed if need be.

### **Partway Lane resurfacing**

Partway Lane will be closed to traffic for 5 days from 5<sup>th</sup> to 10<sup>th</sup> August while it is resurfaced.  
Traffic will be diverted from the War Memorial through Droop and Churchfoot Lane.

### **The Mobile Library**

If you use the service please complete their survey. This can be done on line at <http://www.dorsetforyou.com/libraries/mobilelibraryreview>, or by applying to the Clerk for a form.

### **TrueHeat**

There will be an exhibition of green options for heating your house at the Village Hall on 26<sup>th</sup> May from 9:30am to 4pm.

### **Dorset Art Weeks**

This biannual opportunity for everyone to enjoy the skill of our local artists runs from 26<sup>th</sup> May to 10<sup>th</sup> June.  
Look out for the yellow and red signs directing us to the studios.
