

Hazelbury Bryan Cricket Club 2013

We are looking forward to a summer of **Div2 evening league**, different pubs, **3Counties Sunday league** & an eclectic clutch of friendlies.

Last year we again revisited Alderney in the Channel Islands for our cricket tour. Again we all arrived by sailing yachts only the second team to of achieved this feat in their history (we were also the first...4 years ago!)

This year we have a club trip planned for the Rose Bowl later in the season to watch Eng v Aus T20.

Talking of T20 brings us on to our own wonderful **Floodlight T20** last August, brilliant weather, brilliant cricket and the right result. A terrific effort by the club, lots of people got involved, a great day with over £1800 raised for our new Pavilion.

This winter's **nets** have been at Sturminster leisure centre 7.30 to 9.00 pm on a Wednesday, they have proved popular with a dozen or so regularly turning up. The hall tends to offer less bounce than other venues this could be of benefit to us in preparation for when we start playing on puddings outdoors!

The planning permission for the changing rooms runs out in October, so work **will** start before then. Our next step is to secure a shipping container to act firstly as a temporary store then as a mower shed. If anyone knows of such a container please talk to Jim. There is still an expectation of some money to come from the disposal of the Wonston club.

Youth cricket continues on a Monday night at 6.30 pm all are welcome, help from dads is always appreciated. Mark Stanton now also provides cricket coaching at the primary school on a Friday afternoon.
